Comrade Discipline Commissioner
Don't call me by my position!
My name is Ying!

Hahaha... shamefully, I didn't invent that, just learnt it from the No.1 Secondary Schaal af our city
'All is for the people' I did that for the benefit of my classmates
When their parents knew that, they all cooperated happily!
Make the peaple satisfied as well as their family
Isn't that what we leading cadres should do?

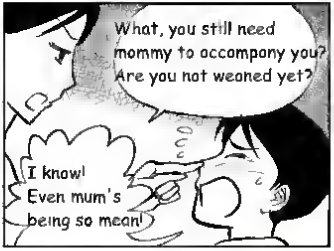
Tanzhou is a small city by the mountains, close to the foothills. The government built a small square there for locals' leisure and entertainment
It's nice that we live nearby, it only took a little more than 10 mins to walk here

There's really a lot of people on the square...everyone's just free
Women like dash~ 女人爱逛街
Men like beauty 男人爱美女

You'll run around the square yourself? I'll do some aerobics
Ah? I'm running alone?



What, you still need mommy to accompany you? Are you not weaned yet?
I know! Even mum's being so mean!

U17.com

It is really impassible to change his weak persanality by ane conversation
Sigh, my herniated disk wan't allaw me ta run again (Damn, I m still in my early 30s)

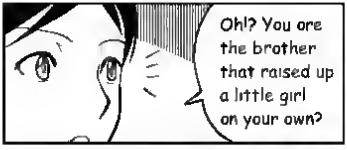
Eh!? Hua Her Majesty's brother? Why are you here?
I'm here to exercise, of course. Why are you here?
It's a long story
I see
I didn't expect your mum to be that strict

Umm...I actually support your mum. Only strict parents can raise their kids well.
I'll have a break by talking to an acquaintance

Ming-ming!
Wah!

How dare you to slack off Ming-ming! No wonder I didn't see you run back!
Sorry!

And who are you?
Yes auntie! I'm Ming's prez's brother! My name is Zhong!



Oh!? You are the brother that raised up a little girl on your own?

?
Pat

It's hard to raise kids!
Yes, worrying everyday.
Education is a problem too.
Sometimes she just doesn't understand you.
You are really great. It must be tiring.
No no, I still need to learn from you.
They...found an echo?

Ming!
I've decided! I'll give you special training every evening for this period!
Ming-ming! Follow your big brother carefully!
Huh!?
Isn't it inappropriate? Costing other's time... Zhong needs to take care of Hua as well...
No problem! I'm no longer on night shift and Hua doesn't need much caring
Ming...
Let's endeavor together as men being looked down upon by Hua...
?

Don't tell Hua about it! We'll give them a surprise in the games!
Bu... but...
But what?
Waahh!!
All... all right...
Two days later
It hurts
The aches...
aches everywhere...

Ming-ming! It's time for taining! Let's go!
I'm not going
What?
I don't feel good
Eh? Are you sick?
It's not hot. How are you feeling unwell?

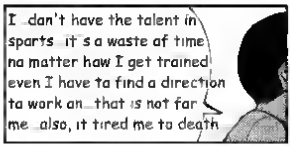
Tsk
Wah! Ahahaha!
Clap

Ming-ming... What do you mean?

I... just don't want to go...

make it clear... why you don't want to go...



I...don't have the talent in sparts...it's a waste of time no matter how I get trained even I have to find a direction to work on...that is not for me...also, it tired me to death

How can you become a man if you can't stand some tiredness!
Then I'll just not become a man!

What... did you say...?
Zhong-gege really trained me to death these days. I never worked out like that.
Such hard training from the very beginning, no one can take that. I'm aching everywhere that I even have difficulties going upstairs, how can I take part in events?
Even mum... just standing aside watching me suffer
not helping me
nor caring for me
Besides, the prez said I don't have to take part, what is the meaning of doing all this?
Slap
啪

Eh what happened?
Who taught you to have a weak and muddling personality like that?
！！
I'm not going! Not going not going! I'm weak! I'm useless! I'll just spend my life like that!
What!?
Calm! Calm down!
That's the ability you have? Talking back at home but gets bullied at school? Why can't you show your authority there?
You've got ability? If so why you have to beg and bribe without dignity only to get me into a shabby school?

Ming!!
Eh eh
Now dad is refraining from the impulsion to slap you and ordering you to get in your shoes and go out! I don't care where but don't come back in two hours!
.....
Darling? Darling~ Ming-ming is probably in the period of resistence (so early), don't take it too seriously
How did he know
.....
Why would Ming-ming know something like that?

God, I'll have to do the laundry tonight
There, there Dan't cry, Ming-ming will understand in the future gradually
Firm
Hug
Understand what! Understand what!?
Samething crappy thing like that
What's good for Ming-ming ta understand sa early ? What's gaad about it!
He's only 11 He shauldn't know too much

U17.com

I was wondering why you're late didn't expect that
Umm.
Those words ARE mean
I said such heartless words to mum I regret o lot
Will mum forgive me?
Don't be silly, no parent will never forgive their children
Only sisters may never forgive their brothers
Although I don't know what I did wrong
呜呜呜
*sob
Hey
Then let's go!
To where?
Honestly, do you want to become an indomitable big man Ming?

How could it be thot I don't! I'm o boy after all!

You can do it you see?
But, everytime like this, I want to give up... I don't want to run at all
No... looking back I'll not give up now
So what? Are you going to give up now?

Although I'm useless, but at least take part and mum would be happy
I would show up even just for comforting mum, no matter how I don't want to
